

Table of Contents

- 1.0 Introduction 1-1
 - 1.1 Purpose and Need 1-2
 - 1.1.1 Statement of Purpose..... 1-2
 - 1.1.2 Project Background 1-2
 - 1.1.3 Regional Setting/Study Area 1-2
 - 1.1.4 Regional Mobility 1-3
 - 1.1.5 Related Projects 1-4
 - 1.1.6 Traffic Volumes and Levels of Service 1-6
 - 1.1.7 Physical Condition of Existing 1-12
 - 1.1.8 Safety 1-15
 - 1.2 Previous Reports 1-17
 - 1.2.1 Planning Study Report..... 1-17
 - 1.2.2 Conceptual Alternatives Study 1-17
- 2.0 Assessment of Feasible Alternatives 2-1
 - 2.1 Methodology for Step 6 2-1
 - 2.2 Design Issues 2-3
 - 2.2.1 Assessment of Mainline Feasible Alternative 2-3
 - 2.2.2 Assessment of Interchange Feasible Alternatives 2-8
 - 2.3 Traffic Analysis 2-12
 - 2.3.1 Refined Planning Level Traffic 2-12
 - 2.3.2 Capacity Analyses 2-12
 - 2.4 Utility Issues..... 2-13
 - 2.5 Cost Estimate 2-17
 - 2.6 Potential Design Exceptions 2-18
 - 2.7 Drainage Issues 2-18
 - 2.8 Maintenance of Traffic 2-19
 - 2.9 Highway Lighting 2-19
 - 2.10 Railroad Coordination 2-20
 - 2.11 Aesthetic Options 2-20
 - 2.12 Retaining Walls 2-20
 - 2.13 Value Engineering Study Results 2-20

- 3.0 Affected Environment and Environmental Consequences 3-1
 - 3.1 Geology 3-1
 - 3.2 Floodplains 3-3
 - 3.3 Ground Water/Sole Source Aquifer 3-3
 - 3.4 Wetlands 3-3
 - 3.5 Streams, Rivers and Water Bodies 3-4
 - 3.6 Wildlife, Vegetation and Threatened and Endangered Species 3-5
 - 3.7 Agriculture/Farmlands 3-6
 - 3.8 Noise 3-6
 - 3.9 Air Quality 3-7
 - 3.10 Municipal, Industrial and Hazardous Waste 3-8
 - 3.11 Property Impacts and Relocations 3-10
 - 3.12 History/Architecture 3-12
 - 3.13 Parks and Recreation/Section 4(f) 3-14
 - 3.14 Land Use and Population 3-17
 - 3.15 Social, Community & Environmental Justice 3-18
 - 3.16 Secondary and Cumulative Impacts 3-21
 - 3.17 Preliminary Environmental Impact Summary 3-23
- 4.0 Comments and Coordination 4-1
 - 4.1 Implementation Committee..... 4-1
 - 4.2 Public Meetings and Notifications..... 4-2
 - 4.3 Public Meetings 4-3
 - 4.3.1 Public Meeting I: Conceptual Alternatives..... 4-3
 - 4.3.2 Public Meeting II: Feasible Alternatives 4-3
 - 4.4 Mobile Display 4-4
 - 4.5 Website 4-5
 - 4.6 Section 106 Consultation Process..... 4-5
 - 4.7 Agency Coordination 4-6
 - 4.7.1 Cultural Resources 4-6
 - 4.7.2 Transit Issues 4-6
 - 4.7.3 Comments on Conceptual Alternatives Study..... 4-7
- 5.0 Recommended Alternative 5-1

Exhibits

Recommended Alternative

- Typical Sections
- Plan/Profile Sheets
- Mass/Haul Diagram
- Boring Profiles

Other Alternatives Considered

Environmental Features Map

Appendices

A-Traffic

B-Environmental Data

C-Agency Coordination

D-Section 4(f) Photolog

E- Public Involvement

F- Previous Reports
