Public Meeting Notice
I-75 Mill Creek Expressway Study
HAM-75-2.30 (PID 76257)

Dear Property Owner:

The Ohio Department of Transportation (ODOT) will be holding two (2) public meetings for the I-75 Mill Creek Expressway Study. The purpose of these public meetings will be to show the alternatives currently under consideration for improvements to Interstate 75 between the Western Hills Viaduct and the Paddock Road Interchange.

The first meeting will be held **Wednesday, January 11, 2006** at the Este Conference Center at 6270 Este Avenue, Cincinnati, OH 45232. The meeting will be held from **2pm to 7pm**.

The second meeting will be held **Thursday, January 12, 2006** at the St. Bernard Municipal Building at 120 Washington Avenue, St. Bernard, OH 45217. The meeting will be held from **4pm to 8pm**.

Both meetings will be in an "open house" style. You may visit at any time during the meeting to view the exhibits and ask questions. No formal presentations will be made. The same information will be shown at each meeting, so choose the location and day that is best for you. At the public meeting, the project team will have detailed illustrations of alternatives that are still under consideration.

If you have questions or concerns prior to the meetings or are unable to attend and would like further information, please contact the I-75 Mill Creek Expressway Study Team at:
